

Bill C-377 Second Reading Voting Record  
Prepared by Chris Smillie , Government Relations

March 15, 2012

Memo:

Please find below the voting record for Bill C-377. It is apparent from the 155 Yeas and Nays 128 that this was a whipped vote and members did not have the ability to vote free of influence from their respective parties.

This is apparent from all parties as the Canadian Office had identified Liberal members whom given a choice would have supported this legislation. The Canadian Office had also identified Conservative members whom had indicated if they were free to vote they would oppose the Legislation as tabled.

Stay tuned for more updates.

The question was put on the motion and it was agreed to on the following division:

La motion, mise aux voix, est agréée par le vote suivant :
