<sup>1</sup>Person-days not worked as a percentage of estimated working time is only available for All Industries and Canada Total.

**Source:** Strategic Policy, Analysis, and Workplace Information Directorate,

Labour Program, HRSDC

N.B. : In the current year, the data for the Province of Ontario is included in the the table only two months after each quarter. For example : First quarter (January-February-March), the data of Ontario is included in May; Second quarter (April-May-June), the data of Ontario is included in August, etc.
